All concerned mentors of the interns are hereby requested to approach the Principals/Heads of Institutions (HOIs) of their respective schools to collect the Evaluation Reports and other requisite documents to facilitate the processing of the End-term examination for the internship program.

It is pertinent to mention that the Department has deputed approximately 60 students from the Main Campus and 20 students from GDC Baramulla to various schools across the Kashmir Division. These students rendered training, guidance, and counselling services in the subject of Mathematics to school students during March to June 2025, as part of a 60-hour internship carrying 4 credits under the Open Elective (OE)/Generic Elective (GE) category.
