The following members were present:

1. Professor S. Pirzada   in the chair
2. Professor N.A. Rather
3. Dr. M.A. Khanday.
4. Dr. M.A. Mir

    At the outset of the meeting the Head of the Department while welcoming the members apprised them about the agenda of the meeting   to retain the services of the following Contractual Lecturers during the forthcoming winter vacations.

1. Dr. Mohammad Saleem Lone
2. Dr. Ishfaq Ahmad Malik

The services are required for the following purposes.

- To update the Computer Lab. together with the installation of software and compilers on the Lab. Machines. Further to formulate the revised syllabus for computer course offered to M.Sc. Mathematics students.
- The Department is going to start doubt/redeem classes during the winter for the students in small groups. Also the students will be given computer classes in such small groups.
- The Department is updating the stock of books in Departmental Library.
- To evaluate the answer scripts of 2nd semester students for the course they were teaching.

Keeping the above facts in view, the Departmental Committee recommends that the services of the above two Contractual Lecturers may be continued for the winter vacation till the selection process of the contractual lecturer for the academic session 2022.

The meeting terminated with a vote of thanks to the chair.

Dr. M.A. Khanday Department of Mathematics, KU	Member
Dr. M.A. Mir Department of Mathematics, KU	Member
Prof. T. A. Chishti DDE, KU.	Member

The committee discussed the proposal for engagement of Prof. B. A. Zargar as guest faculty keeping the following observations into consideration:

01. The department has five vacancies including two professor positions, as such the department is facing difficulties in teaching several specialized courses and Prof. B. A. Zargar is having the expertise of some of these courses.
02. Prof. B. A. Zargar is the Co-ordinator of the Maths Olympiad (NBHM) GOI and is also the Principal Investigator of the major research project funded by National Board for Higher Mathematics.
03. Presently four research students are pursuing Ph.D under his supervision;

In light of the above observations, it was unanimously resolved to recommend the proposal for engagement of Prof. Zargar as Guest faculty w.e.f 01-10-2021 till the academic session ends.

The committee discussed the following issue pertaining to research and the details is as under:

Admission of two I-Ph.D candidates under resultant vacant seats

The candidate namely Khalid Fayaz has opted for functional Ananlysis and Complex Analysis specializations at the time of Counselling, but there was no vacancy available in both specializations. Out of twelve candidates who attended the counselling, seven were selected on the basis of their merit and the availability of seats under various specializations. However, only five candidates have joined and two candidates namely Sunil Kumar and M. Ashraf didn't join and thereby two vacancies remained unfilled in the field Complex Ananlysis.

The name of Ashiq Hussain was wrongly mentioned as M. Ashraf at the time of Counselling and due to that reason he was not enlisted for selection.

The committee members resolved that Khalid Fayaz and Ashiq Hussain are recommended for I-Ph.D admission on the basis of merit.
