

VIII Workshop on COMPUTATIONAL DATA ANALYSIS AND NUMERICAL METHODS

October,
13-15/2022

Organization

Polytechnic Institute of Tomar, Portugal
Department of Mathematics and Physics

<http://www.wcdanm.ipt.pt/2022/>

Certificate

We certify that **Mukhtar Ahmad Khanday** from **Department of Mathematics, University of Kashmir, Srinagar-190006 Jammu and Kashmir, India**, actively participated at the **VIII Workshop on Computational Data Analysis and Numerical Methods (VIII WCDANM)**, held online (videoconference) in October 13-15, 2022, organized by the **Polytechnic Institute of Tomar, Portugal**, presenting at the session "Statistics an Modelling" the lecture entitled: *Modeling human physiology with special reference to local hyperthermic treatment of solid tumors.*

Chair of the Executive Committee:

Luís Miguel Grilo

Polytechnic Institute of Tomar & Open University

NOVA Math (Center for Mathematics and Applications), NOVA University of Lisbon, Portugal
